Following the meal, children will participate in activities to reinforce the lesson. Science, movement, crafts and music will help children respond to the evening's focus.

The Kids Club is a 5-week program that is being offered in the fall and the spring. The fall session will meet weekly from October 4 - November 9. Tiffany Hanson will offer Music Makers as part of Kids Club. It is a joy-filled time of encouragement, singing, playing Orff and rhythm instruments and learning all about music. Kids Club ends at 7:15 pm.

If you have material items to donate, please drop them off at one of the many collection points throughout the city. There is a collection truck in the Great Neck Shopping Center.
